

Study Plan – 26 Week Plan (Academic Literacy Skills)

26 weeks with Academic Literacy Skills (No Prior Assumed Knowledge) **NOTE:** this is an intensive course with content covering year 11 and 12

Students who are planning to complete a course within a 26 week timeframe will need to follow the below study plan.

- Student need to spend a minimum of 1 to 2 hours a day on the course to ensure content knowledge is absorbed
- Student will need to spend additional time reading the required text for library assignments
- Student need to submit all work in the online classroom as sending assignments by email slows the process and you will not complete in 26 weeks
