

Study Plan – 26 Week Plan (Senior Maths)

26 weeks with Senior Maths (Introductory Maths or Assumed Knowledge of Math A of higher) **NOTE:** this is an intensive course with content covering year 11 and 12

Students who are planning to complete a course within a 26 week timeframe will need to follow the below study plan.

- Student will need to spend a minimum of 1 to 2 hours a day on the course to ensure content knowledge is absorbed
- Student will need to submit all work in the online classroom as sending assignments by email slows the process and you will not complete in 26 weeks

Week 1	Week 2	Week 4	Week 5	Week 7	Week 9	Week 10	Week 11	Week 13	Week 15	Week 17	Week 18	Week 19	Week 21	Week 23	Week 24	Week 25	Week 26
Module 1			*Module 2			Module 3					Module 4		Revision work				
Enrol into online course Course content is in classroom	Progress test 1	Progress test 2	Revision work	Progress test 3	Progress test 4	Revision work	Progress test 5	Progress test 6	Progress test 7	Progress test 8	Revision work	Progress test 9	Progress test 10	Revision work Apply for Final Exam	Specimen exam	Revision work	Final Exam

*Time spent on Module 2 can vary and you can shift time from end of module 1 and beginning of module 3 if necessary

Title	Percent of Grade	<ul style="list-style-type: none"> • The 26 week timeframe does not account for any resubmission of work to meet eligibility requirements to sit the final exam
Progress tests	10%	
Final Exam	90%	

NOTE: All courses have hardcopy books available for purchase through QTW
