Revision & Finals	Week 17	Book Final Exam, Revise & Complete Final Practice Exam	Final Practice	8
	Week 18	Revision & Biology Final Exam (1 hour 40 min time limit)	Final Exam	6

\*This is an 18 week example of how to complete the course. The content is self-paced study and the student has 365 days to complete the course, so this schedule may be adapted by individual students to suit their needs. 18 weeks is advised as the minimum time to complete the course – as shown by the schedule it is very intensive.
